Wister & More!

The 2022-23 Wister & More concert series is almost here! We hope you'll join us on September 25 at 3:00pm for our first concert featuring pianists Xaipei Xu and Chi-Wei Lo.

This performance continues an over 30 year tradition of Sunday afternoon concerts at the German Society, featuring *The Wister Quartet* and other ensembles from a diverse spectrum of talents and internationally known musicians.

Individual concert tickets can be purchased [on our website](#) for \$20. We also offer an 8-concert subscription for \$120 and a 6-concert subscription for \$100. Please call our office if you would like to purchase a subscription package.

Although we're off to a slow start in August, we're excited to begin our full program of events in September. In addition to our Wister and More concert series, you can also discuss *Das Parfum* by Patrick Süskind with our Buchclub, attend a Konversationsabend in our Ratskeller, or take a stroll through Willows Park in Radnor as a part of our GSP Wellness program. [Visit our online calendar to see the diverse range of programming we have prepared for you!](#)
